

15th April 2008

Dear Gary,

Just a few lines to say thankyou for all your help and support during the purchase of our new VAC 100 collator.

As a user of Horizon equipment for the last ten years, I had no hesitation in upgrading the MC80 collator for the more advanced model.

I can honestly say I am delighted with its performance and would recommend it to anyone.

Keep up the good work !

Regards,
