Dear Cliff

We thought we should drop you a line to let you know how pleased we are with the Stitchliner recently purchased from Graphic Arts Equipment.

We have now been in possession of the Stitchliner for a month and have already completed just under 800,000 units, we are very happy with the overall service and training that we received from both yourself, Frank and all the team.

The Stitchliner has increased our productivity and we now send very little to our trade finishers which gives us more control over deadlines.

Once again thanks to all at GAE for your continued support.

Yours sincerely

Keith Robertson
