FAO Jason Seaber
GAE

Dear Jason

Just wanted to thank you for your help in sourcing and supplying our Perfecta Guillotine, creaser and folder and Laminator we have managed to bring the majority of our work in-house with massive savings.

Without this equipment we would not be able to produce work in the timescales now required and ultimately I am sure we could have lost some valuable clients i am now looking to increase our finishing capabilities and i look forward to working with you and GAE to achieve our future goals.
